Overdrive Reading History

You can access Overdrive content three ways. Keep that in mind as there may be a slightly different way to accomplish what you are trying to do.

- Through a CountyCat search
- By logging into the WPLC's Wisconsin Digital Library Overdrive web site
- Through the Libby app
- Through the older Overdrive app

Q: Does Overdrive provide the option of having a reading history?

A: Let's answer this by WHERE or WHICH WAY the patron accesses Overdrive.

WITHIN COUNTYCAT & THE LIBRARY ACCOUNT

Is there a reading history option here?   *No*

If you do a CountyCat search and encounter an ebook or eaudiobook title you can check it out or place a hold on it using Overdrive. You will be prompted to login. Within your CountyCat library account, go to the far left and choose **My eBooks.** You can see what you currently have checked out as well as titles you have on hold. You can't see a history of your titles, however.

USING THE Wisconsin's Digital Library site

Is there a reading history option here?   *Yes*

Some patrons access Overdrive titles directly from the Wisconsin's Digital Library Overdrive page or after accessing an Overdrive title via CountyCat! Within your account on this site, you can turn on a reading history. Go to **My Account > Settings and then check the box marked History**. After that time you can view your history by choosing My Account > History.
