Sheila O'Brien, Director of the Greenfield Public Library, thanked the MCFLS Board for the opportunity to present and read a letter from the Greenfield Public Library Board to the MCFLS Board, which is shown as Exhibit 1 attached to these minutes. Trustee Johnson inquired whether there were any recommendations on where funding should be cut in the MCFLS budget as suggested and Sheila O'Brien responded that the MCFLS Board is the expert on its own budget and therefore the Greenfield Library Board does not have any recommendations. Sheila did point out that over half of the \$530,393 referred to on page two of the letter is coming from the net lending libraries.

LIBRARY DIRECTORS ADVISORY COUNCIL. President Ziehler invited Susan Draeger-Anderson to review her report of the September 5, 2019 LDAC meeting which is shown as Attachment B of the agenda packet. Questions were asked concerning fine forgiveness and regarding the addition of a position in the Bibliographic Contract. Susan and Director Heser responded to questions.

Rachel Collins welcomed the MCFLS Board to the Shorewood Public Library and offered to provide a brief tour after the meeting if there is any interest at that time.

After review of the report, Trustee Johnson moved and Trustee Glaisner seconded a motion to accept the report and place it on file. Unanimously approved.

2020 MCFLS System Plan. President Ziehler referred to Attachment D of the agenda packet. September 27, 2019

Mr. Paul Ziehler, Board President and the MCFLS Board of Trustees Milwaukee County Federated Library System 709 N 8th St. Milwaukee, WI 53233

Dear Mr. Ziehler and MCFLS Board of Trustees,

First off, the Greenfield Public Library Board would like to commend you and MCFLS staff for increasing the funding request to \$100,000 in the 2020 Milwaukee County budget. The MCFLS narrative and service data that were placed into the current County budget request are eloquent and comprehensive. The data speaks volumes. Thank you for making the strong case about the depth and magnitude of services our public libraries in Milwaukee County provide collaboratively to all our communities' residents. Though if funded it would only increase funding by \$34,000 over 2019, it is a step in the right direction. We noted with concern another County \$28 million budget shortfall and instructions to all departments to turn in 2020 budget requests with a 1.6% reduction. The City of Greenfield is currently in the midst of a very difficult challenging season as well.

The Greenfield Public Library Board has reviewed the MCFLS board's proposed changes to the member agreements for 2020-2024. Our board has a number of concerns about the present and future financial and contractual impacts contained in the proposed changes to the ILS, Resource Sharing, and Technology Agreement.

After the MCFLS staff and WILS led a strategic planning process this year with the MCFLS Board and member libraries, MCFLS staff and board identified several areas where they would like to increase services to member libraries. The draft 2020-2024 agreements as proposed seek to contractualize funding for three strategic planning initiatives into a 5-year contract binding member libraries to set reimbursement rates.

In the view of our board, while the increased services may be valuable and desirable in and of themselves, if funding for these new services is made permanent by inclusion in the ILS agreements, the financial and contractual changes will fundamentally alter the original concept of reimbursing net lending libraries. The changes will also set the stage for a permanent and continuous erosion in the reciprocal borrowing arrangements in place since 2009. Indeed, the proposed changes call into question MCFLS's continued support for the concept of reciprocal borrowing. Promising to revisit the

reciprocal borrowing formula sometime in the future, as MCFLS has done, after a binding 5-year contract is signed by net lending libraries, seems to the Greenfield Library Board to be damaging to the goodwill between impacted libraries and MCFLS, and an unfortunate first step toward opening a dialogue with valued partners about a difficult issue.

Based upon figures Mr. Heser provided to LDAC, we have added up all the proposed additional costs over the 5- year life of the agreement in order to assess its full impact. The magnitude of the financial and contractual changes is the cause for our concern.

Proposed Change	Additional Costs Annually	Other costs	Total Cost	Notes
New CountyCat Mobile App	\$16,500- 19,250	\$7,500	\$96,500	5 years
Expanded Electronic Resources				
Buying Pool	\$25,000- \$45,000		\$175,000	5 years
Marketing and Data Collection	\$30,600- \$50,600		\$207,500	5 years
Marketing Intern	\$16,793 - \$17,471		\$51,393	3 years
Totals	\$88,893- \$132,321		\$530,393	

Many municipalities in Milwaukee County are under financial strain and fiscal constraints. Consequently, the libraries they fund, which are served by MCFLS, are facing flat revenues and rapidly escalating costs for health insurance, utilities, library materials, and other fixed expenses essential for day-to-day operation of a public library. The Greenfield Public Library Board of Trustees questions whether this expansion of MCFLS services based on 3 strategic plan initiatives is appropriate when viewed against the impact it will have on our local library revenues and our ability to maintain the quality of services offered to our local patrons. While the dollar impact on each individual net lending library may be initially manageable, the aggregate dollar impact over time is significant. To accommodate these increased costs, the Greenfield Public Library will have to make internal cuts and reassignments of scarce budgeted funds.

The member agreements starting in 2009 established a means by which the net lending libraries would receive reciprocal borrowing reimbursement from MCFLS proportionate to their level of net lending based on a contractual percentage of the state aid MCFLS received that year. In 2011, this rate was 43% of state aid. The rate has been declining ever since, and this agreement will bring it down to 35%. Decreasing the percentage of state aid paid to net lending libraries with each future ILS agreement is an unsustainable manner by which to the fund the system's response to changing technologies, and it establishes a precedent that the Greenfield Public Library is extremely reluctant to embrace.

Wisconsin municipalities, and the libraries they fund, are very familiar with the necessity of distinguishing between wants and needs, focusing on essential expenditures, and setting aside many desirable but non-essential expenditures. In the view of the Greenfield Public Library Board, the inclusion of all 3 strategic plan initiatives into the 2020-2024 member agreements shifts too much of the financial burden of a changing library landscape onto the net lending municipal libraries.

Our board respectfully requests that MCFLS take a closer look at its own 2020-2024 expenditures to find areas that could be reduced and streamlined in order to afford the new services it wishes to offer.

Sincerely,

Linda J. Lubotsky

Ms. Linda Lubotsky, Alderperson, and President of the Greenfield Library Board on behalf of the Trustees of the Greenfield Public Library Board

From: Steve Heser, MCFLS Director Re: 2020 proposed MCFLS Budget

An explanation of some of the changes in 2020:

- Lines 4, 5—State and county revenue remain flat for 2020.
- Line 12—Member III Software Basic line reduced \$21,571 due to elimination of unused staff logins and zero % maintenance starting 2020.
- Line 16—Member cataloging contract amount increasing from 2019.
- Line 54—Additional buying pool funding for hoopla increases \$5,000.
- Line 55— Marketscope database likely discontinued.
- Lines 57-58— Additional funding required for CountyCat Mobile app through Communico.

Re: 2020 West Milwaukee charges based on October 1, 2018 to September 30, 2019 reciprocal

borrowing fiscal year.

Following are the calculations used to determine the amount due to the Milwaukee County Federated Library System (MCFLS) for payment for use of MCFLS member libraries by Village of West Milwaukee residents for the year 2020. The long-standing formula combines reciprocal borrowing and automation charges.

Reciprocal Borrowing Charges

1	County Population (2019 est. WI Dept. of Administration)	945,509
2	West Milwaukee Population (2019 est. WI Dept. of Administration	4,124
3	Total circulation 10/01/18 - 09/30/19 at all MCFLS libraries	6,014,042
4	10/01/18- 09/30/19 circulation to West Milwaukee residents	13,712
5	2017 MCFLS member expenditures	\$41,846,128
6	Per capita expenditures (Line 5 / Line 1)	\$44.26
7	County per capita circulation (Line 3 / Line 1)	6.36
8	West Milwaukee per capita circulation (Line 4 / Line 2)	3.32
9	West Milwaukee per capita circulation expenditure formula: West	\$23.14
	Milwaukee per capita circulation divided by county per capita circulation	
	multiplied by county per capita expenditure. (Line 8 / Line 7 X Line 6)	
10	West Milwaukee reciprocal borrowing costs (Line 2 X Line 9)	\$95,409

Automation Charges

Computer System Charges: 100% of all applicable charges x % of circulation attributed to West Milwaukee residents.

11	2018 MCFLS automation costs: catalog enhancement, software and server	\$498,159
	costs, III maintenance, OCLC, telecomm.	
12	Total MCFLS Circulation	6,014,042
13	West Milwaukee Circulation	13,712
14	West Milwaukee portion of total circulation (Line 13 / Line 12)	0.2280%
15	West Milwaukee automation costs (Line 11 X Line 14)	\$1,136

Linda Lubotsky, Board President and the Trustees of the Greenfield Public Library Board Greenfield Public Library 5310 West Layton Ave Greenfield, WI 53220

Dear Ms. Lubotsky,

Thank you for your letter dated September 27th, 2019 regarding the adjustments to the current MCFLS agreements. The MCFLS Board of Trustees and I are appreciative of the fact that the Greenfield Public Library Board took the time to review and reflect on those changes and consider the impact on both the system and member libraries.

At its meeting on September 30th, the entire MCFLS Board was able to hear the concerns voiced within the letter by Director O'Brien. I wanted to pass along our thanks to her for taking the time in addressing our Board with these concerns. Ultimately, the MCFLS Board passed all three agreements as presented, but not before thoroughly discussing and considering your concerns.

As you stated in your letter, the system engaged our member libraries in a lengthy strategic planning process that concluded this past spring. The three strategic planning initiatives that require additional funding were the direct result of that process and reflect the will and evolving needs of our member libraries. We recognize that these changes will impact the libraries, but we hope you will see that the advantages of these increased services will be worth the cost and benefit all member libraries within the system.

Thank you once again for your letter. Please let us know if you have any additional concerns.

Sincerely,

Paul M. Ziehler, President

Part. Zieller

on behalf of the MCFLS Board of Trustees

Marketing and Advocacy Committee Guidelines

A. Mission Statement.

Provide public awareness, voice and visibility for the Milwaukee County Federated Library system, its member libraries, and shared services and resources to broadly communicate the value and opportunities public libraries provide to our communities.

B. Purpose and Scope.

The Marketing and Advocacy Committee (MAC) shall oversee all marketing and advocacy activities on behalf of the Milwaukee County Federated Library System (MCFLS). These activities include, but are not limited to, data collection, planning, asset development, evaluation and training. In addition, the MAC will assist in providing direction to any consultants or contract workers hired by MCFLS for the express purpose of fulfilling these activities. The work of the MAC will be informed by the MCFLS strategic plan, member libraries' needs, and topics and trends related to public library service more generally.

C. Representation.

The MAC shall be comprised of the following members:

- a. One representative from the MCFLS Board to act as a liaison for MCFLS trustees.
- b. One representative from the Library Directors Advisory Council (LDAC). This member will serve as liaison between the MAC and LDAC committees.
- c. One representative from the resource library (Milwaukee Public Library) to provide expertise and synergy with MPL marketing and advocacy activities.
- d. MCFLS staff will be represented by the MCFLS Director, or their designee.
- e. One representative from either the Youth Services or Adult and Reference Services committees to provide feedback on MAC activities from the staff perspective.
- f. Two representatives with local marketing and sales expertise to provide guidance and connections to resources within the Milwaukee area.

D. Relationship of the MAC to the MCFLS Board.

The MAC will report directly to the MCFLS Director and advise the MCFLS Board on marketing and advocacy activities. An annual report of the previous year's activities will be presented to the MCFLS Board each year.

E. Meetings.

Meetings will be held initially on an ad hoc, flexible schedule or until a more regular schedule is agreed upon by members in coordination with the MCFLS Board. A system staff member shall record minutes.

F. Officers, Duties and Appointments.

Officers

An appointed Chair shall preside over all meetings of the MAC. They will develop and prepare agendas in consultation with the MCFLS Director. The Chair will also make reports and recommendations to the MCFLS Board upon request. The Chair will make one annual report to the MCFLS Board each year.

Appointment of Chair

Each MAC Chair will serve a term of at least one calendar year in that role. The Chair can serve multiple terms if approved by a simple majority of the committee. At the end of each year, the current Chair will solicit volunteers to act as incoming Chair for the next calendar year. The appointment of an incoming chair will be approved by a simple majority. If necessary, the current Chair will serve until a suitable replacement can be found.

G. Resources

Staff resources

The MAC will advise MCFLS staff in selecting a consultant to assist in data collection and marketing/advocacy plan development. The consultant will be hired by MCFLS. The MAC will assist the system in providing direction to this consultant.

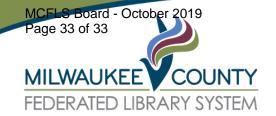

Additionally, the system has put aside funding to hire a contract worker to assist in system marketing and advocacy activities. The MAC will assist the system in providing direction to this contract worker.

Budget resources

The system has a current annual budget line devoted to marketing and advocacy activities. The current amount allocated is \$10,000 per year. This budget line is separate from the budget line addressing staff resources.

H. Evaluation.

Members will evaluate the viability of the MAC committee after three years, on or shortly after December 31st, 2022. A report will be submitted to the MCFLS Board with a recommendation to either continue activities or sunset the MAC committee on a specific date.
