LIBRARY DIRECTORS ADVISORY COUNCIL. Judy Pinger reviewed her report of the December 3, 2020 meeting and Jill Lininger reviewed her report of the January 7, 2021 meeting, both of which are shown as Attachment B of the agenda packet. President Ziehler thanked Judy Pinger for service as LDAC Chair in 2020 and also thanked Jill Lininger for agreeing to be the 2021 LDAC Chair. Trustee Johnson moved and Trustee Suelzer seconded a motion to accept the reports and place them on file. Unanimously approved.

BOARD OF TRUSTEES – ADMINISTRATIVE REPORTS REQUIRING ACTION.

<u>Financial Report – November and December, 2020</u>. President Ziehler referred to the November and December, 2020 financial reports which are shown as Attachment C of the agenda packet. Director Heser pointed out that Milwaukee Public Library had made generous donations to the OverDrive Advantage account which serves to fill requests for Milwaukee County residents; President Ziehler asked that a thank you letter be sent to Milwaukee acknowledging that gift which is deeply appreciated. A couple of the

accounts have either 2021 expenditures reflected or will have 2020 expenditures made in 2021 and those accounts will be altered during the audit process. The buying pool didn't require additional funds reallocated in the mid-year budget revision. Trustee Johnson moved and Trustee Suelzer seconded a motion to approve the November and December, 2020 financial reports as presented. Unanimously approved.

Resolution in Appreciation of Hieu Tran. President Ziehler referred to the Resolution in Appreciation of Hieu Tran which is shown as Attachment D of the agenda packet. Trustee Suelzer moved and Treasurer Kovac seconded a motion to approve the resolution honoring the much valued employee, Hieu Tran, as presented. Director Heser reported that Hieu's family will be presented with a framed copy.

Revised Intersystem Agreement with Lakeshores Library System. Director Heser referred to Attachment E of the agenda packet explaining that it contains the exact language as the Intersystem Agreement with Monarch Library System that was approved at the last MCFLS Board meeting and now all Intersystem Agreements with contiguous Systems are up to date and in place as required by Statute relative to resource sharing and collaborating where possible. Treasurer Kovac moved and Trustee Suelzer seconded a motion to approve the revised Intersystem Agreement with Lakeshores Library System as presented. Unanimously approved.

<u>2021-2022</u> Interlibrary Loan Services Grant. Director Heser referred to Attachment F of the agenda packet which is a two-year agreement at the same annual cost as has been in place for a number of years with Milwaukee Public Library. Director Heser shared a document which shows the number of items incoming and outgoing for the year and it is shown as exhibit 1 attached to these minutes. MCFLS member libraries traditionally lend more than they receive, especially due to the specialized collections of the Resource Library. This contract serves only public libraries, however there is a County-wide INFOpass program which includes university and special libraries which patrons can access materials from. Trustee Suelzer asked whether there was a fee to users for these services and it was felt there is not but Director Heser will verify and report back to the Board. Trustee Johnson moved and Treasurer Kovac seconded a motion to approve the two-year ILS contract with MPL as presented. Unanimously approved.

2021 MCFLS Director Goals. Director Heser reviewed his 2021 goals, which are shown as Attachment G of the agenda packet. Director Heser mentioned that he did the best he could, however much time and energy was spent on pandemic matters throughout the year. The Marketing Plan was received on 1/22/21 and the MCFLS Board will review it at a future meeting. A commercial business realtor did visit the MCFLS offices in March but then his business was hit due to the pandemic and be focused his energies on that instead. Director Heser believes the cost of Goal 5—coordination of youth and inclusive services through contracts would be less than \$10,000 annually. Treasurer Kovac moved and Vice President Shea seconded a motion to approve the 2021 Director Goals as presented. Unanimously approved.

[Vice President Shea arrived at 3:25 pm.]

#### ADMINISTRATIVE INFORMATIONAL ITEMS

<u>Coronavirus Response – System and Member Library Update</u>. Director Heser reported that DHS is slating library staff in Phase 1C for coronavirus vaccines but some local health departments are fitting library staff in at Phase 1B. A post-card campaign will be underway statewide during February-May for local decision makers along with state legislators informing them on what public libraries have been doing during the

pandemic and justifying continuation of financial support; the post cards will be available at member libraries and given to patrons to send. MCFLS will be printing 5,000 postcards for member libraries to use.

Options for Additional Milwaukee County Funding. Director Heser reported that the LDAC discussed a few options to expand digital access for county residents utilizing the \$50,000 granted by Milwaukee County for 2021—adding funds to OverDrive Advantage, adding funds to Hoopla, consideration of a small business database or a combination of two or more of those options. Judy Pinger did report that Milwaukee didn't feel their small business database was used often enough and actually dropped one of their databases in 2021 so perhaps steering patrons to their other small business databases would be a wiser option that purchasing one with these funds. The LDAC will discuss and take action on a recommendation at their February 4 meeting and this topic will come up at the next MCFLS Board meeting for formal action on this topic.

<u>Update on Recruitment for Network Administrator/PC Support Specialist</u>. Director Heser reported that the job announcement was posted on Indeed as well as other traditional library job posting venues and many candidates are showing interest in the position. After January 31, the applications will be reviewed with the help of MCFLS staff, an MPL IT Manager and a member library technical staff person. It is important to get a person that is great at the job duties as well as an ambassador for MCFLS. The goal is to have this person begin sometime in March.

<u>2021 System Plan Approval and First Aid Payment</u>. Director Heser referred to Attachment H of the agenda packet for informational purposes.

<u>Director's Report</u>. Director Heser reviewed his report which is shown as Attachment I of the agenda packet and responded to questions. President Ziehler noted he will be interested in seeing the new Brown Deer Public Library and he is hopeful that a meeting will be held there when the time is right for in-person meetings again. Director Heser provided a little overview of what he has been learning from the communities of the North Shore in relation to their joint library matter.

NEXT MEETING. Scheduled for Monday, February 15, 2021 beginning at 3:30 p.m. via Zoom online meeting software.

ADJOURNMENT. With no further business at hand, Vice President Shea moved and Trustee Suelzer seconded a motion to adjourn the meeting at 3:58 p.m. Unanimously approved.

PUBLIC LIBRARY

February 9, 2021

To: MCFLS Board of Trustees

From: Jill Lininger, Oak Creek Public Library Summary of LDAC Meeting for February 4, 2021

Location: Zoom Teleconference

#### **Discussion**

- Sharing COVID-19 Response / Updates
  - Hours Updates: St. Francis is looking to expand hours beginning March 1; Oak Creek re-opened for browsing on Feb 1; North Shore re-opened for browsing on Feb 8.
  - Discussion of time limits in the library for patrons
  - Several libraries reported that some staff have or will be receiving vaccinations through their municipal health departments.
- DPI Updates
  - o Libraries can stop promoting the DPI speed test on March 15, 2021.
  - o STIR, the firm MCFLS is working with for system marketing, has been contacted by a group for a statewide marketing campaign for libraries.
- Expenditure ideas for additional Milwaukee County funding
  - After reviewing the options, the libraries unanimously voted to put the additional County funding for 2021 into the system's Overdrive Advantage account.

#### **Technology**

- Steve is in talks with the West Milwaukee Village manager to discuss an addendum to the agreement with the system to provide West Milwaukee residents access to the system's digital resources. The addendum, including reimbursement formulas, will be ready and go into effect in 2022. In the meantime, all libraries agreed to turn Overdrive access back on for West Milwaukee residents in 2021.
- As part of the MCFLS Strategic Plan, staff has been researching and plans to put together an ILS Evaluation Task force. Member libraries will be asked to provide staff from all departments: IT, Circulation, Reference, and Administration to serve as members of the task force. The Task Force will evaluate the system's current ILS as well as other ILS options to see what the best product for our patrons is moving forward. The director's in the meeting were enthusiastic about reviewing other ILS options.
- As of the Feb 4, a final date to transition RB Digital to Overdrive had not been set, but it expected to happen in February 2021. Staff are in in the process of creating and disseminating information about the move. Magazines will be available via both the Libby app and WPLC website. MCFLS staff hopes to reload the MARC records into CountyCat for increased findability for patrons. After the transition, the auto check feature for magazines will no longer be available.
- Several MCFLS libraries are allowing patrons to renew their cards online using forms that MCFLS is maintaining. MCFLS staff proposed creating a system wide form that all libraries would use, but which could be customized for individual member libraries. With a standard form, MCFLS could include

8040 S. 6<sup>th</sup> Street Oak Creek, WI 53154 Tel: (414) 766-7900 oakcreeklibrary.org a link to the online renewal form in the card renewal notice that patrons receive. Most libraries agreed that a consistent form would be appropriate, but felt the discussion should go to the Circ Services Meeting for discussion before a final decision was made. The topic was tabled until Circ Services can discuss the proposal.

### Informational

- Annual reports are due March 1.
- MCFLS has postcards available for member libraries or member libraries can edit the MCFLS template to create personalized postcards for the Libraries Step-Up Campaign.
  - o There is also a toolkit for social media that libraries may use.
  - The campaign is as a writing campaign to get local legislators to step up for local libraries to let them know we've been meeting the needs of the community through the pandemic.
- Steve gave an update on the Network Admin/PC Support Specialist search.

# **Member Library Updates**

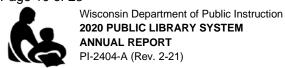

- Brown Deer
  - The old building will close on Feb 6 and hope to have the drive-thru open for service on Feb 17. The rest of the building is expected to open in early March.
- Hales Corners
  - The library received a \$100,000 donation to install an elevator in the building.

Inclusive Services

Wis. Stat. § 43.24(2)(k) Promotion and facilitation of library service to users with special needs.

The Division for Libraries and Technology interprets services to users with special needs as inclusive services. Inclusive library services are holistic, spanning library policies, collections, space, and services. Inclusive services reflect equity and accessibility for all members of the community, including services to individuals or groups for whom using the public library is difficult, limited, or minimized.

Briefly summarize the most significant specific inclusive services initiatives carried out by your system in the report year. Describe the system effort in terms of the way in which the initiative is conducted by the system. Some systems provide direct services, others provide services to support library efforts.

The system supports multiple member libraries with Memory Cafe programs including financial support for the South Shore Libraries Memory Cafe. MCFLS has participated in the Library Now project (Milwaukee Public Library) since its inception. This project puts access to library resources into the hands of all Milwaukee Public School students, including many underserved or marginalized young people. Standing library committees, including the Adult & Reference Services committee, the Youth Services committee, and the Young Adult services committee, frequently include inclusive services as a topic in their regular meetings. The system has also worked with a Milwaukee Public Library staff member on providing more awareness of Government Alliance on Race and Equity (GARE) background and resources available to member libraries.

#### IX. COLLABORATIVE ACTIVITIES

Summary of Activities Briefly describe collaborative activities with other libraries, public library systems, and other organizations. Exclude services and activities listed in the system's report year resource library contract.

In 2020 MCFLS led a group of library systems including Bridges, Kenosha, South Central and Winnefox to provide cybersecurity training through a program called InfoSec IQ and paid through LSTA funding for three years. This on the heels of a very successful cybersecurity collaboration with many of the same systems in 2019/20. Staff are tested and trained regularly each month to be better aware of malicious threats through email. We hope that our group will act as a model for similar projects across the state. The system's participation in the Dell purchasing group statewide has saved our members a great deal of money on the purchase of new computers and hardware. We've seen more investment by libraries in technology as a result, improving their ability to serve patrons with up-to-date resources. MCFLS continues to contribute to statewide projects through the WLA. The system funded multiple scholarships to the WLA Leadership Institute and offered continued financial support for WLA lobbying activities at the state level. The system will continue to collaborate with other systems to provide support for Trustee Training Week which continues to grow in popularity. The system also offers financial support for the Wild Wisconsin Winter Web Conference. The collaboration with SEWI to provide high quality continuing education for our member libraries is extremely valuable and a model for the state. The system also collaborates and offers tech support and assistance for Tech Days each September.

#### XII. SYSTEM MEMBERSHIP

Attach a listing of all current public library and county members of the system.

Indicate whether your public library system members have indicated compliance with the following membership requirements. If any of these conditions have not been met, attach a written explanation of the circumstances resulting in noncompliance and a description of actions to be taken to achieve compliance (include timelines). A check indicates that all members have indicated compliance with the requirement.

- The public library members are established under the provisions of Chapter 43 of the Wisconsin Statutes. [Wis. Stat. § 43.15(4)(c)1]
- The public library members are authorized by the municipal governing board to participate in the public library system. [Wis. Stat. § 43.15(4)(c)3]

This shall not prohibit a municipal, county, or joint public library from giving preference to its residents in library group programs held for children or adults if the library limits the number of persons who may participate in the group program or from providing remote access to a library's online resources only to residents. [Wis. Stat. § 43.15(4)(c)4]
- The member public library's head librarian holds the appropriate grade level of public librarian certification from the Department of Public Instruction and is present in the library for at least 10 hours of each week that the library is open, less leave time. [Wis. Stat. § 43.15(4)(c)6 and Administrative Code Rules PI 6.03]
- All counties participating in the system have entered into written agreements with the system as required under [Wis. Stat. § 43.15(4)(b)3]

- Each public library member, beginning in 2008, annually is open to the public an average of at least 20 hours each week except that for a library in existence on June 3, 2006, annually is open to the public an average of at least 20 hours or the number of hours each week that the library was open to the public in 2005, whichever is fewer. [Wis. Stat. § 43.15(4)(c)7]

FEDERATED LIBRARY

Dr. Michele Bria President, Board of Trustees Milwaukee Public Library

Dear Dr. Bria,

On behalf of our trustees and member libraries I would like to sincerely thank the Milwaukee Public Library Board of Trustees and City Librarian Joan Johnson for their generous contribution of \$205,000 to the MCFLS OverDrive Advantage account in 2020. This wonderful gesture could not come at a better time for all Milwaukee County residents who may be unwilling or unable to come into the library but still want to enjoy high quality content from their favorite authors.

This contribution is yet another example of the leadership exhibited by the Milwaukee Public Library that has helped guide our system and members through the pandemic. The challenges brought about by the pandemic have highlighted the need for creative thinking to show how libraries can continue to meet the needs of our communities when access to the buildings themselves may not be possible. We feel that an emphasis on additional funding for electronic resources is something likely to continue beyond the pandemic, and we credit MPL for leading the way and taking that important step forward.

Thank you once again on behalf of our trustees and members. We look forward to continue working with you and the MPL staff to bring these much-needed resources to our communities.

Sincerely,

Paul Ziehler, President

Milwaukee County Federated Library System Board of Trustees

cc: Joan Johnson, City Librarian

January/February 2021 Director's Report

# Summary of activities

- 1. I worked with Judy to manage the large number of applications we received for the Network Administrator/PC Support Technician role at MCFLS. We feel we have a good pool of qualified candidates and will work with Assistant Director Robert Trunley from Wauwatosa to select candidates to interview. All MCFLS staff and Robert will be a part of the interview process that will take place in mid-to-late February. I hope to offer the position to someone by the end of February.
- 2. I assisted in the Brown Deer Library move on February 10<sup>th</sup> and made myself available in the afternoon to help with setting up new workstations.
- 3. Other projects are underway. Digicorp is also helping us with staff and public workstations at Greendale and Franklin that had been delivered prior to Hieu's passing. I've been in constant contact with technical reps from Digicorp throughout the process. All other projects are on hold until we can find a replacement for the position.
- 4. Spoke with Kim Egan, village administrator at West Milwaukee, about creating an addendum to the West Milwaukee contract that would include language allowing access to electronic resources (hoopla and OverDrive) for West Milwaukee residents. I will work on this addendum with her in the first half of 2021.
- 5. I was asked to participate and give feedback as part of a roundtable discussion regarding the planning of the next BadgerNet contract. The BadgerNet contract provides affordable network lines for all MCFLS members. For \$1,200/year our members get a stable 100 Mbps connection and my hope is costs might go lower.
- 6. Worked with libraries on finding answers to questions on the state annual report, which contains new data elements related to COVID-19 and reporting on new library service offerings.
